

Owner: Sustainable Comfort, Inc. | Location: Worcester, MA | Completion Date: 2017

Three family renovation with fully updated kitchens and bathrooms including new cabinetry, counters, plumbing and appliances. Original hardwood floors were restored, and new vinyl plank flooring was installed where existing floors could not be salvaged. A bright, inviting, and clean laundry room was added to the basement. Existing siding was preserved to minimize construction waste.

Project Information

Property Management

At SCI we don't just help construct greener buildings, we also want to understand and assist in what it's like to live in them. To that end, each building SCI renovates also gets managed by us. Our property management team works to ensure a healthy and comfortable living situation for each tenant, while linking them to community resources around Worcester.
